# Humanscale m8 crossbar manual

## Specification Sheet

Humanscale®

M8.1

Model Number: M81CMWBH-B

### FEATURES

- Allows user to view their monitor(s) at an optimal position
- Customized Cable Management makes it simple to run cords through a modular system for a clean, sleek and organized aesthetic
- A patented, weight-compensating spring technology enables smooth and uniform height adjustment
- Built-in Counterbalance Indicator provides the ability to counterbalance the monitor weight before monitor installation to reduce expensive computer setup costs
- Patent-pending Smart Stop allows the user to customize the rotation of the arm, preventing overhang and protecting surrounding equipment
- Patent-pending Quick Release Joints instantly snap together for a secure and robust fit, simplifying installation
- Only one tool is required, and it's neatly concealed inside the arm base
- Can be configured to hold up to three monitors
- Compatible with MConnect 2 and MPower, the first-ever integrated monitor arm bases and docking stations of their kind

### SPECIFICATIONS

**Weight Capacity:**  
Heavy Single or Dual Monitors  
3 - 13 kg (6-28 lbs.)

**Height Adjustment Range:** Up to 305 mm (12")

### Colour Options:

- Polished Aluminum with White Trim
- Silver with Grey Trim
- Black with Black Trim

### Warranty:

15 years

### CONFIGURATION DETAILS

CODE	DESCRIPTION

CM	Two-Piece Clamp Mount with Base
W	Polished Aluminum with White Trim
B	Angled Link/Dynamic Link
H	Crossbar for 2 monitors, with Handle
S	Standard 100mm x 100mm, black
-	Not Applicable

### SUSTAINABILITY

Humanscale's line of expertly engineered monitor arms ship unassembled to dramatically reduce packaging size - while still being quick to install. Modular links allow users to design the most productive space without additional parts, which saves resources. This means that Humanscale monitor arms require far less energy, resources and processes to get from factory to office. We consider the impact of our products on people both during manufacturing and when they are in use. Humanscale monitor arms are built with sustainable, non-toxic materials, and their durable design ensures that they won't need to be replaced for many years.

All Ballo instructions should be followed to ensure a comfortable experience. There should be 2 black plastic washers. Humanscale offers the following warranties on its products, subject to any exclusions and limitations as set forth below: Modifying or tampering with any part of the base of the Float Table will render the warranty void. Remove Screw. Note: Ballo is not a task chair. Limitation of Liability Purchaser's remedies set forth herein are exclusive and the liability of Humanscale with respect to the breach of this agreement or any contract entered into between the parties pursuant hereto shall not exceed the price of the product or part on which such liability is based. Located in the New York City headquarters, Humanscale Design Studio is a powerhouse of designers, engineers and prototypists from around the world. The warranty on the eFloat and electric Float applies to the base and work surface if the table top is provided by Humanscale, and only to base if the table top is provided by a third-party, provided that the third-party table top meets the following requirements: (i) has a depth of 36" or less, (ii) has a width of 72" or less, and (iii) a total weight load including work surface of no more than 200 lbs. A holistic approach is taken to ergonomics, with the user experience and interaction with the product front of mind. Performance of any repair or replacement does not renew or extend the warranty period. Humanscale, at its option, may repair or replace the defective product or product part determined to be under warranty with the same or comparable product or product part as determined by Humanscale, at customer's location or at a designated Humanscale location. To return a product or product part for repair that is not covered by warranty, Customer must request a Return Authorization through the Humanscale Customer Service Department. If, after examining and testing a returned product or product part, Humanscale determines that the product or product part is not defective, Humanscale will notify customer and return the product or product part to customer. Design Story Humanscale Design Studio refreshed the look and functionality of our monitor arm line to accommodate how we work today. Humanscale warrants that, at the time of customer's receipt, the product will be in good working order and will be free from defects in materials and workmanship for the duration of the warranty term, as set forth above. Remove Ball Joint Insert. The warranties for the Vessel lights exclude labor and other costs associated with the installation and/or removal of the lights from ceilings, walls, fixtures, etc. To re-assemble, follow directions in reverse. Any implied warranties that may be imposed by law are limited in duration to the Limited Warranty period, to the greatest extent allowed by law. "Humanscale" and the Humanscale logo are registered trademarks of Humanscale Corporation. The design team's award-winning innovations are backed by their thorough research into workplace trends and by working closely with Humanscale's inhouse team of ergonomics consultants. 2. In such states or countries, some exclusions or limitations of this Limited Warranty may not apply. Humanscale does not warrant that customer's use of the Humanscale product will be uninterrupted or error free. These warranties do not cover damage caused by a carrier or transportation of the product from one location to another, or alterations made by owner. A 1 2 3 Installation instructions, product manuals and product part diagrams are available here to assist with product fitting and maintenance. Humanscale Design Studio refreshed the look and functionality of our monitor arm line to accommodate how we work today. 1. The team also regularly collaborates on projects with acclaimed industry figures. Abiding by the philosophy that good design achieves more with less, the team specializes in solving functional problems with simple, efficient designs. Repairs on products out of warranty also carry a 90-day warranty, effective the day that Customer receives the repaired product or product part. Correction of any nonconformity in the manner and for the period of time provided shall constitute complete fulfillment of all liabilities of Humanscale, with respect to or arising out of the product furnished hereunder. The warranty on the Float Table applies to the base and work surface if the table top is provided by Humanscale, and only to base if the table top is provided by a third-party, provided that the third-party table top meets the following requirements: (i) has a depth of 36" or less, (ii) has a width of 72" or less, and (iii) the total weight load including work surface is no more than 130 lbs for the standard base and no more than 160 lbs for the heavy duty base. The remedies provided above are the purchaser's sole remedies for any failure of Humanscale to comply with its obligations regarding the workmanship of its products. Use an M5 Hex Key. Customer will be charged a standard repair fee, specific to the product, for any product that is repaired outside of the warranty period. Further, Humanscale has no warranty obligations if the product is affected by internal or external environmental conditions (including but not limited to water, moisture, outdoor use, or temperature damage), power fluctuations, improper power supply, or if the product is not installed and used in compliance with all applicable standards and electrical codes. Customer must contact Humanscale to obtain a Return Authorization through the Humanscale Customer Service Department. Installation & Maintenance Instructions Humanscale Design Studio Located in the New York City headquarters, Humanscale Design Studio is a powerhouse of designers, engineers and prototypists from around the world. Humanscale will not be responsible for injury or damage caused by or associated with the installation and/or use of products in any manner other than in strict conformance with the instructions set forth in its installation manuals and instruction sheets and/or product literature. Ball joint should slide free of M8 arm. Modifying or tampering with any part of the base of the eFloat or electric Float will render the warranty void. Humanscale does not warrant damages or defects to the products under the following conditions: an Act of God, damage from electrical power problems, usage of parts or components not supplied by Humanscale, failure to perform preventative maintenance, or damage caused by peripherals not supplied by Humanscale. In no event will Humanscale be liable to purchasers for any special, collateral, incidental or consequential damages however caused, whether by Humanscale's negligence or otherwise. The labor costs associated with the repair of the product or product part may be the responsibility of Humanscale if the product or product part is determined to be under warranty. In the event a product or product part is defective in material or workmanship during the warranty period, and Humanscale receives written notice of the defect within the warranty period, Humanscale will determine with customer if the defect is covered under warranty. With more technology than ever before and increasingly agile workforces, our updated arms provide even more workspace personalization. If products are procured through an authorized dealership, distributor, retailer and/or reseller, the end-user customer must be registered with Humanscale for the warranty to be in effect. All rights reserved. DISCLAIMER THIS LIMITED WARRANTY IS IN LIEU OF ALL OTHER REPRESENTATIONS, WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED REPRESENTATIONS, WARRANTIES OR CONDITIONS OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT, NON-INTERFERENCE, AND ALL OTHER WARRANTIES ARISING FROM COURSE OF DEALING OR USAGE OF TRADE. Humanscale will not be responsible for damage due to service, maintenance, modifications or tampering by anyone other than a Humanscale authorized representative. Engineered for unprecedented adaptability, Humanscale monitor arms improve the computing experience and overall workstation performance. 3. For these warranties to be valid, the Humanscale product must have been purchased directly from Humanscale and/or an authorized dealership, distributor, retailer and/or reseller of Humanscale products. These warranties are available to the original end-user customer only and are non-transferable. This Limited Warranty is subject to change without notification. Some states or countries do not allow a limitation on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damages for consumer products. Customer will be responsible for the freight charges associated with the return of non-defective products or product parts. M 8 Conversion to and

from Crossbar Instructions www.humanscale.com MSMBC11 01 1 The text and artwork are copyrighted materials. Remove Ball Joint. It has not passed the BIFMA or European EN standards for office seating. These warranties do not apply to normal wear and tear or damage caused by accident, neglect, product abuse, misuse and/or failure to follow instructions relating to the product's installation or intended use. Some wriggling of ball joint might be required to loosen the insert. For products that are not covered under warranty: Customer may upgrade to a newer, functionally equivalent product at the list price; the product or product part will be returned to Customer; or Customer can request in writing that Humanscale dispose of the product or product part for Customer, in which case a fee may apply as designated by local law. The Ballo in an exercise chair that is designed for dynamic seating and frequent movement. Customer will bear the costs of labor and freight charges associated with non-warranty repair. Humanscale must pre-approve the labor costs prior to the repair or replacement of warranty products or product parts.
